Hoosier Diamond, a company that publishes the Hoosier Diamond newspaper, conducts baseball showcase camps, and conducts the largest and most successful fall baseball program in the Midwest, is proud to announce that we will once again conduct a spring program for 7th and 8th grade players throughout Indiana.

Our spring program will be modeled after the very successful Hoosier Diamond fall baseball program. Players from throughout Indiana may register as individuals and be placed on teams or complete teams may enter the program.

The Hoosier Diamond Spring League Is The Solution To Many Spring Baseball Problems... "My school does not offer a spring baseball program for 7th or 8th grades." "I'm looking for competition outside my own backyard." "I am playing baseball for my school, but I want additional games." "I am a coach or player of a travel team and want to get an early start on the summer season without having to travel a great distance." We've heard these comments from many coaches, players, and parents from throughout the State. Hoosier Diamond's Spring League is the solution to all of these concerns.

Hoosier Diamond's Spring Baseball League provides you with 4 weeks of competition. The league will begin with 3 weeks of league play (double headers for each team each Sunday). League play will be followed by a post season tournament during week 4.

All Games Will Be Played On Sundays. To avoid a conflict with spring school sports and other activities we will schedule games on Sundays. This also provides a player with the opportunity to play for his school team and participate in our Spring League. Play will begin on Sunday, April 11 and will continue on April 18, April 25, and May 2. In the event of rain games will be rescheduled. You are guaranteed 6 games plus a single elimination tournament. All games will be played at Trinity Ballpark located in the Noblesville / Carmel area.

Registration Is Open To Individuals Or Teams. Individual registration is \$95. A \$45 deposit is required when submitting your application. The balance will be due shortly before the start of the season. If you are an individual registering for the league and would like to be teamed with a friend or players from your own community we will honor those requests. The cost to enter a complete team into the Spring League is \$975. To enter a team you must submit a deposit of \$500 with a complete roster. Your team balance will be due shortly before the start of the season.
